General Price List

These prices are effective as of October 6, 2014 but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items that you may ask us to purchase for you, such as cemetery charges, flowers, and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected. We charge for our services in purchasing certain items.

Basic Professional Services of the Funeral Director and Staff **$ 1,295**

This is the charge to each family for our basic services and overhead. It includes the service of our personnel, the arrangement conference, a proportionate share of our overhead, clerical and administrative services, obtaining necessary authorizations and permits, consultation with the clergy, cemetery, crematory or other third parties, assistance with insurance, planning the funeral or memorial service, and placement of obituary notices. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving the remains.)

Embalming **$ 550**

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
