I just want to say my heart is broken, when I found out I was pregnant with my sweet baby girl I was so young and my parents and I felt she deserved a better life than I could give her, when she and I found each other I knew I made the right decision we shared pictures, stories, talked and laughed and were planning to finally meet in person to hug my beautiful girl and hold my adorable grandson and that time will never come, I am so sad she is gone and as my heart breaks it also goes out to her loving family her husband who made her happy and her pride and joy baby mason! I love you my beautiful Angel
