I am honored to have known such a giving man. He was as relaxed as anyone could be, yet ready to help anyone in any way that he could. A selfless man that put others needs before his own. May we all be ready to give help our fellow man... remembering the example Ricky has left us. Thank you Lord, that even though his time here is finished, he will spend eternity with you. We will see you again someday

A million times we've missed you, a million times we've cried. If love could have saved you, You never would have died.The things we feel most deeply,are the hardest things to say,Our brother we have loved you in a very special way.If we had one life time wish, a wish that could come true... We'd pray to God with all our hearts for yesterday, for tomorrow, and for You.I love you, rest in peace my dear brother. Priscilla
