Richard, his older brother Mike (deceased) and his dad "Red" (deceased) were friends to us when we first moved to Wakulla County in Florida. Richard and Mike were the same ages as me and my brother and we attended school together. They were very sweet people. Richard was such a good dad. He loved his little girl so much. He was in poor health before his death and is now released from the pain. Much love to all the family and blessings on the Richard!
