Karl Joseph Easton

FEB 24, 1958 - MAR 4, 2017

Karl Joseph Easton, 59, of Tallahassee passed away at Big Bend Hospice on March 4, 2017. We will miss his dry sense of humor, selflessness, and friendly smile.

Karl was an active member of the Tallahassee community. He received his Bachelor of Arts degree in Hospitality Administration from Florida State University and managed several restaurants in the Tallahassee area before pursuing a career in real estate. He participated in many Tallahassee Board of Realtors charitable activities, and was named Cultural Ambassador for the North Florida Region for Keller Williams Realty in 2012.

Karl is preceded in death by his parents Dexter and Jean Easton and his wife Diane. He is survived by his stepson Michael Brooks, two brothers Matthew (Los Angeles, CA) and Andrew (Anna); sister Sylvia Reese (Cody); nephews John and Ran Easton, Austin Reese and niece Kathryn Reese; grandniece Kinsley Barr and grandnephew Tanner Reese.

A memorial service will be held at the Unitarian Universalist Church, 2810 Meridian Road at 4 pm on Friday, March 31, 2017. In lieu of flowers, the family requests that donations be made to the American Cancer Society.

First of all I'd like to extend my sympathy to the entire family and hope there is proper time for you to grieve as needed. I met Karl back in high school and even lived with him soon after before I joined the Navy. I'm selective of my friends and Karl was one of them. Years later and even recently we have been back in touch through social media. It was such a pleasure to know him and am glad I at least was able to get back together after so many years. We had many of the same memories and views on stuff even after all these years and I'll truly miss him.

There are so many wonderful memories of Karl in my mind and heart. He was the best example of what the Dali Lama said once: "My religion is kindness". I'm missin' you bud!

I have known Karl for just a few years, we always talked when I came into the office, we didn't always agree on things but had a good time discussing them. I always knew that if I needed help with something Karl would help. I miss him every time I go to the office now. He was looking forward to watching me harvest honey from my bees this year, I will think of him as I do it. I miss you buddy, you are not forgotten. Ricky Wagner

Karl, you will always be a very cherished friend. I miss you already. Earth lost a good person, and Heaven gained another Angel. Michael W Smith says it perfectly in "Friends". Friends are friends forever..... Thank you for the wonderful memories my friend!
