I just came upon this by happenstance and I'm so very sorry to hear this sad news. Jane Ann and I dated for awhile at Auburn in the winter and spring of 1964. She was a wonderful, beautiful young girl and I remember those times very fondly. After graduation we went separate ways and I had no idea that she lived just up the road in Fairhope. I send my sincere condolences to the family for your loss. Pete Ford Gulf Shores, AL

Dear Susan and Family, I have known your mom since jr. high school and she was always beautiful and fun. We were in DBS together and room mates our freshman year at Auburn. I feel terrible that it had been a year or two since I had called her to see how she was doing. I am sorry for that because I did not know she was sick. You will miss her. I know she was a wonderful mom and grandmother. She was so proud of you and the work you were doing for EAMC. I will miss a long time beautiful friend. God Bless you and your family.
