To my sweet momma I will miss you so much! Life is going to be so much harder for me without you here, but I know how much you loved all of us and i know how much you loved and missed daddy! My only saving grace with you being gone is that you are now back with the love of your life and i can see the smiles on both of your faces and how happy you guys are being together again. We are a strong, caring and loving family and we get through this together. I promise you one thing I will make sure that your grandkids and great grandkids are taken care of. Rest In Peace mom i love you to the moon and back!

My sweet grandmother whom I will miss so very much. I love you and will always cherish our memories together. You were the kindest soul and always made sure we were all taken care of. Now it's our turn to step in your shoes and take care of each other, but I can assure you none of us will ever fill your shoes. Tell Granddaddy we all love and miss him too and y'all watch over us from above. We have it from here! Love you to the moon and back, your oldest granddaughter, Tracy.

To my family that I adore and love with all my heart... you all know that Aunt Hazel was more than my Aunt , she was another mother and a friend. I can't believe that she's gone. Just know that my heart is broken for all of us and you are in my thoughts and prayers as we begin this new normal without her. I thank the lord that our family has always remained close and stand together as one in difficult times. Fly high my dear sweet Aunt and I look forward to the day when we are all united again ....Brenda, Sandra , Gary and Mike please don't hesitate to call me if there's anything I can do... I will see you on Thursday to celebrate this precious life!
