My mom, Marion P. Debus, was 95 when she peacefully passed away while living at our home on July 7th. As a family, we lovingly called her "The Queen". She shall be profoundly missed as we remember her as a wonderful wife to her late husband William Debus, mother of three, while also having a sister and brother. A favorite saying of hers in many of life's situations, good or bad, was "we are making memories!" We believe her husband, daughter, son-in-law, daughter-in-law, sister and mom were there to greet her on the other side. She will be missed everyday but we know she's at peace now. To her surviving children, Jan and Billy, life will never be the same without her. A private memorial service for immediate family is planned for a future date.
