No words could ever truly capture the person David was. I had the honor of knowing and working with David for 17 years and cherish every moment I spent with him. David was the hardest working most honest person I have ever met. If you ever had a question you always knew that you could go to David and get the true answer. Whether it was the answer you were hoping for, or not, David always spoke the truth. No matter what the job you always knew you could count on David to make sure it was done and done right. The only thing David loved more than work was his family. I know he will missed by all that knew him but we are all better for knowing him.
