Stanley Anthony La Bar

AUG 25, 1962 - JAN 18, 2020

"My Name Is Stanley Anthony Labar I Was Born In Newburgh Ny.

I Was Raised With Country Music And Elvis In My Blood. It Was The Only Music My Dad Would Allow In Our House. My First Love Was Baseball And I Played Day And Night When I Was Young. It Was My Dream To Play At Shea Stadium In New York Like My Heroes Did When I Was A Kid. I Have Always Sang From The Time I Was About 5 Years Old And I Always Loved Singing Songs With A Story. I Guess That's What Drew Me To Country Music. I Love Sitting Back And Closing My Eyes And Seeing The Open Prairie, How The Wind Blows Over The Plains, And The Blue Skies Above Me. It Makes One Envision The Songs The Country Stars Sing About, Or Vice Versa.

I Have Worked Diverse Jobs Like Running Medical Companies Or Working In The Oil Fields. I Have Enjoyed Many Things In My Life But I Guess The Best Time I Have Spent Was Singing On Stage In Front Of A Live Audience. I Enjoyed The Contact With A Live Audience Because It Truly Made Me Feel Alive When My Live Audience Reacted To My Singing. I Have Made Many Singing Friends On An Online Karaoke Called "Singsnap" From Various Different Countries, A Gratifying Result Of Singing Online. I Feel Very Blessed With My Life But I Am Still Trying To Pick Off Of My Bucket List. However I Can Say That I Am Very Lucky To Love And Be Loved In Return.

I Have Three Beautiful Children: Two Girls And A Son, And 6 Grandchildren I Adore, (Yes!). Most Of All, I Have A Wonderful Beloved By My Side So I Guess All My Dreams Have Come True For Me And I Wouldn't Change Anything Although I Still Have Many Things To Do So It Will Be Awhile Before I Can Claim I Have Lived Life To The Fullest. Stan."

Memories of you from your birthday last year... you were happy, your son flew you in to Colorado for your birthday. You were in one of your happiest moments sharing quality time with your kids and your grandchildren. I miss you every waking minute, and sometimes see you in my dreams. ❤️ ❤️

Stan was my brother my hero my best friend. He always made sure I was safe. I always looked up to him and always wanted to be like him. He was my friend my protector my big brother. He always looked out for me . We didn't have the best child hood. But he always took the beating for us. I will always love him and I miss him and will thank him always for being the best big brother anybody could ever ask for. I will always love you big brother. Thank you for always looking out for us. I know god rewarded you for everything you did. Love you big brother rest in piece. Looking forward too seeing you in heaven. I love you my friend. I always will. See you soon.

From Poppy Maria with thanks to W H Auden
Stop all the clocks, cut off the telephone,
Prevent the dog from barking with a juicy bone,
Silence the pianos and with muffled drum
Bring out the coffin, let the mourners come.
Let aeroplanes circle moaning overhead
Scribbling on the sky the message He Is Dead,
Put crepe bows round the white necks of
the public doves, Let the traffic policemen wear black cotton gloves.
He was my North, my South, my East and West,
My working week and my Sunday rest,
My noon, my midnight, my talk, my song;
I thought that love would last for ever: I was wrong.
The stars are not wanted now:
put out every one; Pack up the moon and dismantle the sun;
Pour away the ocean and sweep up the wood;
For nothing now can ever come to any good.
by W H Auden
