Dorothy "Ann" Thompson Brockett

NOV 19, 1939 - APR 1, 2020

Dorothy Ann Thompson Brockett, adored by so many family and friends, passed away April 1, 2020. She was 80 years old.

Ann was born November 19, 1939 to Les and Kathleen Thompson in Greenville, AL. She grew up in Vidalia, GA, with two siblings, a sister, Jane, and a brother, Don, both deceased. She attended Georgia Southern College and moved to Tallahassee after marrying William James (Jimmy) Brockett in 1961, whom she met while he was at the University of Georgia. The two were married for 26 years and remained friends until Jimmy's death in 2014.

In Tallahassee, Ann was a successful real estate broker for over 40 years. First with Noblin Realty, and then later Coldwell Banker Hartung and Noblin, until she retired in 2011. She served on the Tallahassee Board of Realtors – and many of its committees – from 1971 to 2011. She was also an active member of Bradfordville First Baptist Church, where she loved to sing in the choir.

Ann had endless grace, compassion, strength, and kindness. She was warm, funny, open, and always made those around her feel loved and cared for. She was a shining light to so many and the world is left a little less bright in her absence.

Ann is survived by her children Barry, Jim, his wife Karol, Jon, his husband Jason, and her grandchildren, Marc (Barry's son), Rachel, Kendall, Kathryn, and Will (Jim and Karol's children).

Ann was a breast cancer survivor and while flowers are welcome, the family prefers any donations go to the Sharon Ewing Walker Cancer Fund through the Tallahassee Memorial Hospital Foundation at tmh.org/giving (please include Walker Breast Center in the comments section).

A celebration of Ann's life will be held at Bradfordville First Baptist Church as soon as we can all gather together again.

Precious Ann became one of my mom's (Peggy Lewis) best friends when she moved to Allegro. They connected immediately and Ann's eyes would twinkle while they giggled together . Two peas in a pod - both faith driven, joy filled ladies who were not going to 'let the old lady in!' Ann was receptive to new friends and I was the lucky recipient of several hugs a week from her. My mom passed away less than a week before Ann and I imagine they are hugging and laughing in heaven right now. :) Ann adored her family and felt extra blessed to have many of them live close to her and stay in close contact....Karol for being so good at anticipating her needs and graciously taking care of them. Heaven gained an angel when you arrived Ann Brockett!! God Bless all of you, Marcia Lewis Etheridge and family

Hi Annie B, we have so many memories too many to mention now, however I am so happy we spoke about them a month ago. We really got to know each other well when we were managers of different offices with Community Realty Group. I see so many tributes to you from that wonderful Real Estate family . As time went on our friendship grew and we just had so much fun. I will always cherish those times and how much we shared together. You most recently shared all the love for your sons and grandchildren and how much you loved them, and how proud you weren't all of them. Please save me a seat near you my friend. Love you Kaye

Ann, what to share?? So many wonderful times we had together - not only as friends, but as business associates. You are so very respected in the real estate community as well as the mortgage banking community. I remember the last time you & I were in the back seat of Virginia's car, after attending a play at The Tallahassee Theatre. You were having a hard time fastening your seat belt & I leaned over to help you. We bumped heads & then got tickled. We could not stop laughing & were still laughing when we got to my house!! Not sure if we ever got your seat belt fastened or not!! Rest In Peace, my dear friend! I LOVE YOU!! 🌹🌸🌺😭
