My condolences to Don and the rest of Sarah's family. For a short time, I worked with Sarah at NeSmith's Nursery on Thomasville Rd. (Long gone and now businesses) where we became good friends. She had gone to Leon as had I but being two years apart I didn't know her then. She was always so nice and down to earth, driving an old Ford pickup truck. Several years after she left NeSmith's, we both met up again at FSU where she worked in the grounds dept and I worked at the PD. Tho I haven't seen her since she left FSU many years ago, I still have fond memories of the sweet person and friend that she was.
