Gone, But Not Forgetten

Don't think of her passing as the end  
Her journey has just begun  
Life holds so many facets,  
Our earthly existence is only one.

No more sorrow, worries, or tears  
She is resting in a place of comfort  
Think of how she lived and  
How she touched the lives of the many  
people she encountered.

Think how she must be wishing  
That our sadness could be washed away.  
Although we loved her with all our hearts  
She simply could not stay.
