I met Tomas not long after I purchased my home. He had done yard work for my neighbor for many years and my neighbor highly recommended him. I am a widow and the home I purchased needed a lot of work inside and out. Tomas came to my house every Saturday for several months to help me with my yard last Spring and Summer. He was a dependable and very hard working man. In the time he spent at my home, we became friends. He told me of his children and I told him about mine. I will miss my friend Tomas and would like to send my deepest condolences to his family.RIP my friend...
