Jennifer Hatcher lit a candle in honor of Jerry.

I first met Mr. Lang during a Waccamaw Indian People open meeting when he talked about healthcare and his activity there. He came to our grounds several times and we always learned something new while he was there.

Bruce Ferris posted:

During his time with Florida Vocational Rehabilitation, Jerry worked in our State Office in the Native American program. He was a kind man and like many, I consider him a friend. He was a strong advocate for Native Americans and a great ambassador for the Florida Vocational Rehabilitation Program. He will be greatly missed.
