Reba has been my best friend for over 30 years. We have been through so much together. She was always there when I needed a shoulder or parenting advice. My daughters always loved when she would come visit. She would always bring them a flower or some candy. Reba was an awesome friend and person. Very selfless and worried about others and how they were managing. I moved away, but we always made it a point to talk almost weekly; she always wanted to hear the latest news of my girls. She had been through so much the past 5 years surviving cancer twice, each in a different location of her body. She was a very tough, but gentle woman. I will miss you friend and it's almost impossible to think that we will never speak on the phone again. RIP sweet lady, you are with the Lord.... No more pain, worries or consternation's. I am a better person for having had you as a best friend for so many years. I love you ❤️
