Timmy, Pam and families I am so sorry for your loss of Wayne. He was a lucky man to have the love of family and friends in his life! Wayne was always a nice person to me and helped years ago to get a car that we badly needed. I'm deeply sorry your family is experiencing the pain of a loss like this. My heart goes out to each of you.

Wayne was your guy if you wanted anything related to sports memorabilia. His keen eye and love of making a deal made it always a fun and memorable experience interacting with him at his places of businesses. Wayne sold me one of my first cars dirt cheap in high school and I will never forget that glorious chariot! His generosity allowed for many Memorable trips with friends to the beach. He just really liked when he could help make people happy. RIP Wayne. Z
