# Dexter Leroy Barton

DEC 9, 1954 - FEB 22, 2022

**D**exter Barton was born on December 9, 1954 in Tallahassee, FL. He is survived by his only son, Jeremiah Barton and wife, Ashlee and his half-sister, Regena Rentz.

Dexter had a love like no other for fishing, hunting and anything else outdoors. While he lived a very modest and quiet life, he was very proud and out spoken about his son, and the pride he had for him and his accomplishments.

Unfortunately, Dexter contracted COVID and was hospitalized due to complications. He was admitted to ICU, and passed only a few days later. We are thankful we were able to say our goodbyes.

His ashes will be scattered along the Wakulla River and Lake Talquin, so he can fish forever.
