# Ryann Lucile Reedy

MAR 4, 1982 - MAR 27, 2022

**R**yann Lucile Reedy ascended to be a demigoddess on March 27th with loved ones watching on. She may be called upon anytime someone needs glitter or to protect them from anyone's bullshit...after a short trip to Saturn. She was the greatest wife, mother, daughter, teacher, friend, AND enemy anyone could ask for. If you have a problem with this fact, I assure you will be weighed, measured, and found wanting. She was an amazing science teacher who always cared for her "kids" while pushing them to strive for more. From little on, Ryann enjoying singing (wonderfully, I might add) to anyone who would listen; this includes local wildlife, crafting, and spending time in wonderous worlds, both written and of her own creation.

Those left to carry on her legacy are her husband Seth, daughter Elliott, parents Patrick and Jeanna Murphy, as well as aunts, uncles, nieces, and a host of friends spread throughout the world. She is reunited with her brother Justin Murphy, and nana Lonita Emmons.

Her favorite way to describe herself was soul of a mermaid and mouth of a sailor. She loved making people laugh but would protect her friends and loved ones fiercely. A creator at heart, you could always find her working on a project. Whether it be crocheting a blanket, painting a landscape, baking world class cookies, or creating entire universes for others to enjoy. She loved learning and experiencing new things, never afraid to try. It is for this reason that in lieu of flowers, please go out in Ryann's memory, and do something you have always wanted to do but may have been too afraid to try.
