Hannah Coughlin Harrell

MAR 2, 1951 - APR 12, 2022

Hannah Coughlin Harrell went to be with Jesus on April 12th, 2022. Hannah spent her life in the service of her community. As a Speech Pathologist she touched the lives of many students. Oftentimes she adopted them as sons and daughters (and their families) as her own. She continued helping others in retirement driving for The American Cancer Society taking patients to appointments and many times sitting with them during treatments. Hannah had a servant's heart and will always be remembered for her care of others. There will be a small family service to spread Hannah's ashes in a place that was close to her heart.

Hannah is preceded in death by her parents, Dr. Paul and Claire Coughlin; and her brothers, Kevin, Donald, Terry and Brian. She is survived by her daughter, Lisa Brown; son Rocky Harrell; daughter-in-law, Haley Harrell; grandchildren, Miranda and Dawson Brown, and Madyn and Ryder Brooks; brothers, Richard, Tim and Brent Coughlin; sisters, Louise Curtin, Carol Keough and Kathleen Coughlin; as well as many, many nieces and nephews.

Our heart is heavy with the loss of this wonderful woman. But we know she is shining down on all of her family, adopted families, and friends. Go rest high on the Mountain Hannah, and may God forever hold you in the palm of his hand.

Hannah was an amazing volunteer with the American Cancer Society Road to Recovery program. She performed more than 500 drives, taking cancer patients to their much-needed medical appointments. She often went above and beyond for her patients. I will miss talking with her very much! My sincere condolences to her family. Warmly, Kristin
