Liz Sharpton posted:

I grew up in the same neighborhood as Ronnie and have fond memories of. Ronnie was the only one with driver license and he hauled all of us young neighborhood kids to school everyday to keep us from having to ride the bus. Back in the day when we went to school we didn't know what seatbelts were and how many were supposed to ride in a car. How he put up with all of us I will never know but bless him he did and never complained he had a heart of gold. He will surely be missed by family and friends
