Frankie was quite the character! We worked together for many years at the Country Club of Orlando. Her ability to tell stories was incredible and you always knew where you stood with her. She was upfront which is a great character trait! Her love of reading was an inspiration and although we differed politically we could always manage to listen to each other. I will miss our long phone conversations! May you Rest In Peace Frankie in the arms of our Father. Kathy and Walt Dinger Altamonte Springs
