**Sandy Garcia** lit a candle in honor of David.

David had an amazing and well lived life. We miss him already so much! Although not the healing we prayed for, we are bracing because he is now rejoicing with our Lord and Savior. He was a great Husband, Father, Grandfather, Father-in-law leader of his large family, entrepreneur, world traveler, he well known and respected in his community. A few times I would say I love you and he would never verbally say it back, but I always knew he loved me from his facial expression, blush and smile. David without a doubt, one of the gentlest men I have ever known, all his life he poured his heart out to make sure his family were and continue to be well off. I am proud and honored to call you my Daddy in law, and I will forever cherish all of the memories we made together and eternally grateful for welcoming me to your family, for always treating me with kindness, tucked me under your wing while sharing your guidance, and pride towards me just as your own. I will continue to wake up every day and motivate myself your son and my kids so that we can carry out your vision. Please pray for our family. Pray most of all that the Lord will be greatly glorified in David's earthly departure and in our family as we seek to shine for Jesus in this time of trial.
