Charles Shuff posted:

My name is Chuck Shuff and I was a very close friend of "Donnie" especially during our grade school and junior high years. We rode the same bus. On the last day of 7th and 8th grade I rode my bicycle from Brandon to his house on route 661 then we would continue on to the high school. We had some really fun times in grade school playing marbles and mumbly peg (with our pen knives) during recess. I will pray for him and his family.
