Christy Conner

OCT 30, 1989 - OCT 6, 2022

Cristy Jean Connor, 32, of Ft. Myers, was taken from all who loved her on October 6th, 2022 after suffering a brain injury.

She was born October 30, 1989 in Lakeworth Florida. She was the daughter of Michael B. Conner and Joyce McLain Conner. She graduated from Port St. Lucie high school and studied nursing and business administration at Indian River College in Florida. She lived most of her life in Port St. Lucie, Sarasota, and Siesta Keys Florida and worked as a server/waitress for many establishments including Applebee's and Stonewood Grill.

Christie was a kindred spirit and beacon of light for all who knew her. She truly loved spending time with her family and friends, making it a point to always attend gatherings and bringing her infectious smile and laughter with her wherever she went. Her Passion for riding motorcycles chronicled her life in a spectacular YouTube video titled "Inside the helmet of Cristy Conner."

She was a fearless woman who embraced life and the beauty she found in it. She loved feeling the sun on her face and the wind in her hair, as she rode her motorcycle, scooter, bicycle, kayak or sailboat. She enjoyed traveling the country with her soulmate, Joe Kuchera and was always stopping along the way to take pictures and videos of the most beautiful flowers, sunrises and sunsets, blue skies and waters, and stunning hikes and trails. Those who loved and knew Christie saw life's beauty through her lenses, all so thoughtfully displayed on her Facebook page for the world to enjoy with her. She lived each day like it was her last and always showed random acts of kindness because her heart was so selfless and pure.

She loved and enjoyed all things nature had to offer. She had an amazing green thumb, a flair for crafting and she loved all animals. Kittens held a special place in her heart and she was fondly known as "Momma" to 2 of them in her lifetime, Pooters and Luna.

Left to cherish her memory is her brother Dylan Conner, paternal grandmother Donna Jean Conner, both of Warren Ohio; and her partner with whom she made her home, Joe Kuchera of N.

I keep thinking of your life, from in the womb until the day you left us. You were so loved before you were even born. And as you grew up, so did all of my memories of you. Your smile and good vibes will follow me until we meet again sweetheart. You are in your mother's and father's arms again. I am very grateful for the time that I did have with you Christy. Rest peaceful honey.

The last time I saw my cousin was at her mom's memorial in 2019. Christy told us she was planning to live on a boat, sail, and travel with her boyfriend Joe. Christy truly lived more in the last three years than most do in a lifetime. Rest in peace and know you will be missed. May you continue to live in the hearts of loved ones.

I'll never forget the woman she was, and the happiness she brought to my life. Her heart was so big, and she knew life was meant to be lived. I can still hear her laughing and see her smile. I can still hear her telling stories of her adventures and how she found something cool at a thrift store. I know she's somewhere sitting on a beach or on a boat, with the wind in her hair and the sun on her face. Listening to some music and smiling down on all of us. She's at peace, and will always be in my heart. Love ya cuz!
