## **Janet B. Milam**

SEP 19, 1948 - NOV 11, 2022

**J**anet Brinson Milam, 74, of Tallahassee, Florida passed away peacefully at her home on November 11th, 2022.

Originally from Clearwater, FL, Janet was a woman of great strength, character, and maintained her belief in God throughout her life. She loved her family fiercely, and her love extended well beyond her blood relatives to a wide array of people to whom she is like a second mother, or grandmother. Known to many as Mrs. Janet or simply, Nan, she leaves behind a legacy of true grit, earnest love, integrity and honesty, a garden full of plants, and a great appreciation for Rock N Roll music.

Janet was preceded in death by Emory James Brinson (father), Evelyn Curl Brinson (mother), Little Dougie Brinson, Richard Brinson, and Dan Brinson (brother's).

She is survived by her sons, 'Joe' Daniel Stoddard (April, wife) and J.C. Milam (Erin, wife), her granddaughters Nikki Stoddard (Faith, wife) Ashlee' Barton (Jeremiah, husband) Brittani Crum (Nick, Husband) and grandson Derek Smart (Erin, wife), her great granddaughter, Gracie Mae, and cousins Diana, Faye, Michelle, and countless others that will carry her stories and life lessons from this day forth.

A celebration of her life will occur on Saturday, November 19th at The Dogwood House 2552 Capital Cir NE, Tallahassee, FL 32308, from 12:00-6:00 PM, with a memorial service at 1:00 PM, and reception to follow. The family invites all who knew Janet to attend, commune with one another, and share her stories. Food and drinks will be provided. In lieu of flowers, Janet would have preferred everyone to plant something in her memory.

My earliest memories are of Janet and how much fun she was. She was like a big sister to me growing up. I spent the summer of 1969 with her when our grandmother was dying. It has been a precious memory all my life. We reconnected about 7 years ago after going our own ways except for various funerals over the years. Janet has always been my hero and always will be. Living her life by what she believed was right and defending any who she was loyal to or loved. My greatest happiness now is that I spent our last 2 weeks with her this summer and she continued to tell me the stories from her life. Good and bad she shared these with me and I listened to her and we cooked together. She loved to feed those she loved. We cooked and we baked over the years and we laughed and cried together. No one can ever take her place. I hope my love for her shows in this tribute because she and her Mama were so loved by me all my life.
