Ronnie Trout

JUL 26, 1944 - JAN 6, 2023

On January 6th, 2023, James Ronald Trout, devoted and loving husband, father, grandfather, uncle and brother, passed away peacefully, in Tallahassee, Florida.

Ronnie is survived by his loving wife Mary Ann of 57 years, daughter Tish, grandchildren Rosie and Camden and siblings Joann and Carolyn. He was preceded in death by his son James.

Ronnie was an avid race car enthusiast and mechanic. He passed on his love for the sport to his son James who also raced. He also spent his time teaching his grandson and many nephews about his love for mechanics and the sport of racing.

Ronnie always looked after others and was always there for his family and friends. Ronnie prided himself on his knowledge, craft and the relationships he made. He couldn't go anywhere without enjoying a good conversation and had a knack for making people feel at home.

He will be greatly missed by his loving family and always remembered in their hearts.

It's such sad news hearing about Ronnie. I've always liked Ronnie, He was such a caring person and always had a smile on his face. He was always very nice to me. It was traumatic hearing about the son. It's just not right for children to go before their parents. I lost my oldest son in 2007. Such a terrible thing to experience. The whole family is in my prayers. Prayers are powerful as you know.

Sad to hear about Ronnie. I do remember him in school passing each other in the hall and the occasional conversation. I remember him as very friendly and always had a smile. My condolences to his family and friends. God's speed, Ronnie Wayne Lee, Leon Class of '63

When we moved to Tallahassee in 1999, Ronnie was the first friend that we made. He became more like family as time passed. We would never have been able to make it without his guidance and assistance in meeting people, getting around without using Capital Circle and making life fun with many trips to the race track with Ronnie and James. Miss them so much.

So very sorry to know of his passing. We dated in high school and I always wondered if he got to live his dream of racing. A tragic loss in losing his son because I lost my son in 1994 and now I just lost my husband after 57 years. He was such a good guy and we always had fun together. My prayers go out to you Mary Ann and your family. Leon High class of 1963.

I spent a good bit of time with Ronnie during our high school days and a few years after before we all focused on family. I ran into him from time to time and he was always the same friendly and smiling Ronnie. I'll always have great memories of him Tommy Barrett
