## **Sandra Roath Bartlett**

MAR 3, 1944 - JAN 11, 2023

**O**n Wednesday, January 11, Sandra Bartlett, 78, a beloved mother and grandmother, passed away.

Born to Versa Mae and Leo Roath, Sandra was raised in Miccosukee, Florida with her six brothers and sisters. She graduated from Leon High School. She enjoyed many different jobs during her life, but her favorite and longest career was in health care . Sandra was a CNA for a home health agency. Her love for people, and her ability to make others feel special , made her a perfect match for working with terminally ill patients. She wanted each patient to feel comfortable and cared for in their last days.

In her free time, Sandra loved reading, creating a loving home, and being an active member of her church. She was a loving wife to the late Reginald Bartlett, and a wonderful mother to two daughters, Catherine and Sandi. Sandra loved to spoil her three grandsons. To Zackary, Quinn, and Luke Ward, Sandra will always be their beloved Mimi. She was always available for a hug, a listening ear, and a reminder that God will work all things out for our best.

Her life will be celebrated on Saturday, February 25, at Faith Baptist Church in Tallahassee, Florida. The service will be at 3:00 pm, Sandra did not like black, so please honor her memory by wearing happy colors.

In lieu of giving flowers, the family asks that those who are able instead make a donation to the Faith Baptist "Backpacks for Kids" program, which provides weekend meals for underprivileged children. This ministry was close to Sandra's heart.

Dear Sandi and John: Although we never had the blessing of meeting your mother, we knew she was a very special person through knowing and loving you, Sandi. After reading your mother's beautiful Celebration of Life Story, we feel like we knew her. She loved her family very much and touched many many lives. Her light shone for all to see. We pray that you will feel God's loving arms around each of you, giving the comfort and peace that only He can provide during this difficult time. Lean on God's wonderful promise that as Christians, we will be reunited one day. What a glorious day that will be. With our prayers and love, Ed and Debbie Hightower

Aunt Sandra was beautiful inside and out. I remember her sitting at the kitchen table with her mirror and makeup all around her. I was fascinated at how she applied the different items. She always took the care to get precisely the look she wanted. I said earlier I was fascinated and I was but I was impatient too and wanted to get going. I'd say something inappropriate and Aunt Sandra would use four or five syllables to say my name with her southern drawl. Together Anyway I ended up with Aunt Sandra's love of makeup and worked in cosmetics for quite awhile. Occasionally thinking of her when a beautiful woman walked by with her makeup done with precision. There goes a kindred spirit I'd think. Also, Aunt Sandra could bake a mean loaf of bread too and fill the house with wonderful smells. These are two of the many memories I have of her. My mom passed away several years ago. I know they're up in heaven together looking down on Sandi and me. We are missing them terribly but at least they have each other. It's bittersweet. Love you mama. Love you Aunt Sandra.

Aunt Sandra was beautiful. She loved makeup and would take great care in putting it on. I would hang around her chair at the table while she put it on with precision. Sometimes when she had the time she would put it on me and I was thrilled. I grew up and worked in the cosmetic industry for many years. No doubt those years of watching Aunt Sandra rubbed off on me. I thought of her quite a bit when I was working. She surely planted the seed of interest that I carry with me still. I made up a lot of pretty women but none as pretty as my aunt. She could also bake a mean loaf of bread too. Those are just two of the many Every time I smell fresh baked bread I think of her. There are so many things about Aunt Sandra I remember with great fondness but fresh baked bread and a beautiful face will always be at the top of my list. I love you aunt Sandra and I know you loved me. You will be missed.
