Terese (Terri) Marie Fox

MAR 7, 1932 - APR 4, 2023

Terese (Terri) Marie Fox, 91, mother, grandmother, greatmother (as the great grands called her), and loving friend, passed away on April 4, 2023.

She was born in Boston, Massachusetts and settled in Tallahassee in 1959. She lived independently until her last days and had a full and beautiful life. She was married to the late Dr. John David Fox (Florida State University, Nuclear Physics) for 19 years and raised five children.

Terri is survived by her children, Heidi, Lise (Brian Schatz), Peter, Paul (Sandy Fox), and Michelle (Jon Lundy); 10 grandchildren, Ashley Arrington (Tommy), Erin Ryals (Chris), Patrick Brady, Heather Morrison, Alex Fox (Irene), Ben Lundy, Bryce Fox, Laurel Fox, Katelyn Lundy, and Griffin Fox; and seven great-grandchildren, Tanner Arrington, Camille Ryals, Avery Arrington, Evelyn Ryals, Oliver Morrison, Dominic King, and Axel Fox.

After raising her children and volunteering at their schools and the Lemoyne Art Foundation, Terri returned to school for a degree in Humanities from Florida State University, where she was inducted into Phi Beta Kappa honor society. She enjoyed a 20-year career in museum education, retiring from the Museum of Florida History as Museum Program Supervisor at the age of 70. She was a committed patron of the arts and enjoyed theater, opera, art, music, travel, beautiful food, red wine, spicy conversation, good books, being outside, cats, and dogs. She unconditionally loved her family and friends, had a keen intellect, was funny and irreverent, and was fearless in a crisis. Terri's physical presence with us will be greatly missed, but her beautiful spirit will continue.

A celebration of her life will be held May 20, 2023 at 2:00PM at Untied Church of Tallahassee 1834 Mahan Drive Tallahassee, Florida 32308.

I was fortunate to meet Teri at a creative and healing FlowChi class taught by Lisa Jackson at Westminster Oaks not long after I moved in. Her warmth, gentleness, welcoming, and kindness were a joy to me, and it was a mutual delight to tell her I knew you, Heidi, and to reflect to her the wonderful woman you are. She smiled as she told me about the home you grew up in. I'm glad to have known her a bit, and could feel in that short time what a special mother she was. I hold you and your family in love, Heidi. A warm hug. Susan Taylor

Our childhoods together were very special and I also treasure the trip to Provence. She loved you very much. Thanks for your thoughtful remembrance. Lise

I am sad to say I don't think Aunt Terri knew the impact she had on my life. I was so fortunate to have a Mom and an Aunt (Terri) who were so strong, smart and beautiful inside and out! Aunt Terri was so gracious in being my lifeline while I attended FSU. I had so many wonderful, special moments with her and her great cooking! Time spent with Uncle John and Aunt Terri's family (my sweet family) over the years was always fun, but I will never forget the awesome time spent with Aunt Terri and cousins, Heidi and Lise in Provence, France!!! One of my most favorite trips ever!! Peace and love be with you always, Aunt Terri.

Terri and I worked together at the Museum of Florida History in the 80s. She was a bright light in my life and in the life of all who knew her. I send much love to her dear children. She loved you all so much. I know how much she will be missed. Susannah Copps Flanigan-Athens, Georgia

Susannah, thank you so much for your kind words. I still have a Christmas ornament of my son (Patrick) that you made. My mother loved her work at the Museum and loved her team.
