Alfredo Consuegra

APR 9, 2023 - APR 17, 2023

Alfredo Consuegra, passed away on April 17, 2023 at the Tallahassee Memorial Hospital. He is survived by his beloved wife, Beatriz Miyar Consuegra, his sister, Maricely Consuegra, three children, Alfredo Luis Consuegra, Annie Hazday and Claudia Basso and nine grandchildren.

Born in La Habana, Cuba, Alfredo attended de La Salle academy from K through 12th grades where he formed lifelong cherished friendships.

With an engineering degree from the University of Miami, Alfredo had a successful career in the quality and safety of the aviation industry.

Impeccable of character, kind and witty, a great and loving husband, father and friend, many have expressed it was an honor to have known him.

We mourn the loss of this dear man and feel fortunate to have known him and to have been loved by him. His presence and his many gifts will stay with those of us who knew and deeply loved him.

We celebrate the liberation of his Spirit and Soul to join with the heart of the Creator in divine love.

Memorial arrangements are in process.

I just found out today about the sad news of Alfredito (like we used to call him) passing, this came as a shock for me. We knew each other since we were both teenagers, we had great times together, always a gentleman and a great and true friend. My condolences to his family. Though we met Alfredo only once we were won over by his warmth, sensitivity, kindness and concern. Alfredo was a true gentleman possessing all the qualities a man should have. We were looking forward to spending more time with him and Bea and are deeply saddened that this was not to be. Perhaps it is destined to do this meeting at a different time in a more sacred place. Please find peace.

Such a wonderful man, with a great sense of humor. I will miss laughing with him over dinner at my house or his and Bea's. I hope you are dancing in heaven.

Although a little late I found out about the death of this great and humble human being. He was always in my memory and prayers. God put this human Angel on my path, with which he charted a course to our family destiny
