Ben, you were a very dear friend! We worked together for more than 25 years at first The Department of Commerce then the Department of Labor and Employment Security! You took me to Washington on my first ever trip to see our Congressional members, who all respected you so highly. Each year at your own expense, Ben would load his personal car with fresh Florida oranges and drive to D.C. to personally deliver to all the members! You were a class act like no other!!! A Gentleman, a snappy dresser, a loyal friend to the end ❤️ ❤️ ❤️ ❤️ I will miss you, now go fly high on that mountain and watch over us 😭 Good bye my friend. Aletta Shures
