Helen I'm glad you finally get the rest you deserve. You were a firecracker when I met you and I'm sure you'll bring that same energy up there. You've always had everyone laughing. You'll definitely be missed.

Helen was my big sister. She was also like my mom. She took care of me when I was young and our mother was sick. She has always been there for me through everything. It is hard to believe that she has joined all the angels that went before her. She is at peace and happy. No more sadness or pain. She will forever be in our thoughts and our heart. She was a loving mother, wife, aunt and a friend. She was a nurse who gave her all to her patients. She loved to fish, camp, dance and have fun. She loved her family with all her heart. She will truly be missed but we will be together in time. If you knew her you were blessed. I know that I have been blessed by having her as my sister. I love you sis. I miss you so much. Will see you in heaven.

Helen was, and will always be, my big sister. She was fun, funny, loving, caring, adventurous, and she loved to dance. She adored her family. She was married to her husband, Chuck, for almost 50 years. They had three children: Chris, Stephanie and Nolan. We are all better people for having had her in our lives. In addition to being an outstanding sister and mother, Helen was also an operating room nurse who gave her all to her profession and her patients. She may have touched your or your loved one's life in a time of need. Helen was definitely an unsung hero - not for me - she was definitely my hero.
