Granny was an amazing woman that took care of my child like she was her own. When Layla was over she was her granddaughter. She will be missed 😊

Mary was like another grandmother to me. It kills ms I didn't get the chance to see her until it was too late. Miss her a lot and all of the memories I have with her and Analiah. I'm so glad she took me into her family and treated me like hers. Like I belonged and let me have sleepovers with Analiah at her house and even took us to Walmart and the mall. I sure do miss it a lot.
