Laura Pavelka lit a candle in honor of Bobbie.

I met Boobie several years ago when she and my mother became friends and neighbors in Bull Run subdivision. She would visit often and we became good friends and remained in contact after my mother's passing. Bobbie was a beautiful person very light hearted and fun to be around. We had many visits, lunches and walks together and she always had a smile on her face. I'll miss her and her many stories about her family and especially the stories about her brother, who I'm sure she is sharing laughs with at this moment. Love you always Bobbie and will see you in the stars. Your friend Laura Pavelka
