Dawn lit a candle in honor of Barbara.

I am so sorry for your loss of Barbara. I worked with Barb in the early 2000s in the latent print section. I loved her big personality and her willingness to teach me about fingerprints. I remember her so well from then. She was very friendly and had a lot of experience and stories to share. I only worked with her for a couple of years, but I always remember her and how friendly she was toward me. I greatly appreciated her during that time of my life. May God surround you and your family during this difficult time. I will pray for you and Barbara. She was truly a beautiful woman, both inside and out. What a light she was!
