tiff also known legally as Novis, is my brother, four years younger than me. We shared many good times filled with wonderful memories and love has children. He married and had two beautiful girls, Tiffany and Nicole. After going to war called desert storm, upon his return, he was not the same ever. His life spiraled down after that creating the fact of his isolation from family. I discovered his passing by a whisper in my ear during the night, look up your brother's obituary. Our dad passed September 26, 2018, passed September 27, 2024. I discovered this on my own November 18 2025. It is with great sadness that I tell my brother in spirit that I love you, I miss you, and I hope to see you one day beyond what is on this earth. May you rest in peace my beloved Tiff. 🙏💔🌹
