# Fisher Sage Bohling

NOV 10, 2006 - FEB 1, 2025

It is with deepest sadness we must share that our precious boy, Fisher Sage Bohling, has been called to his heavenly home February 1, 2025. Although Fisher was born with other abilities and there were many things he couldn't do, he had the amazing ability of bringing out the best in people. His smile lit up the room, and his joy was contagious.

Fisher was quite the musical connoisseur and wasn't shy to express his opinion. If he wanted piano music, he would get it. He was also a nature lover and took great pleasure from the sights and sounds of the outdoors, and comfort and humor from his pets. From the day he was born, he was his mama's sunshine. Fisher was not always angelic; he was also very self-determined and had a mischievous streak. His many beloved teachers and caretakers can attest that he would laugh after doing something he was not supposed to. And like all little brothers, he knew just how to push his sisters' buttons.

What any of us wouldn't give for more time, adventures, and laughter with him. But this incredibly special boy was called back to his home in the stars, and his absence will be sorely felt here. He forever touched our hearts.

Left to cherish Fisher's memory is his Mom, Crissy Nepote Bohling; Dad, Tucker (Sturgil) Bohling; siblings, Emily, Darci and Morgan; and grandparents, Mike and Debbie Nepote, Ellen Carrell and Dennis Bohling.

Sending love and appreciation to every single person who came into Fisher's life and helped make it a blessed and special time.

For anyone wanting to make a charitable donation in honor of Fisher's memory, please consider the Everhart Excellence Foundation or the Florida Springs Council.
