After nearly 25 years of service, Joe retired from the Navy in 1995. His military career began in 1971 when he enlisted in the Marine Corps, where he was a member of the Drum and Bugle Corps in Albany, GA. He was honorably discharged in 1975. He then joined the Army National Guard from 1976 to 1977. He loved being outdoors, including trips to the Gulf, maintaining the yard, fishing, and many other outdoor projects. He loved working with wood and built large storage sheds and garages, outdoor decks, and indoor furniture. It was not unusual for him to have several projects going on at the same time.

As an organ donor, Joe's retinas will bring sight to two people.

At his request, no services will be held.

Joe was my brother-in-law & a fine one he was. He freely gave advice, & was always ready for a hug. He was a very good man & I hope to see him in heaven. You will be missed!

Uncle Joe was an awesome man. Quick of wit, and fun to be around. Aunt Ann and uncle Joe always made sure that you had an open invite to their house and would accommodate in any way they could. I was proud to have known him!

Uncle Joe was an extraordinary man and a fantastic uncle. He always made me feel special and heard. My favorite memory will always be the time Uncle Joe and Aunt Ann traveled all the way to Guantanamo Bay to visit us while my husband was stationed there. We had an incredible time out on the water and visiting the beaches. The impact he had on my life will forever be a treasured one. Forever in our hearts. ❤️
