He served on the naval ship the USS Markhab in the Pacific during WW II. After the conclusion of the war, he travelled throughout the United States as a key player on the Navy Basketball team. He had very special memories of those games and his achievements and was fond of sharing his experiences. After his discharge from the Navy, he attended Kilgore Junior College in Texas where he also played basketball. During his life, he pursued many successful businesses - he owned an appliance store, a real estate office and a successful real estate investment firm. Even up to the end of his life he was pursuing that last big deal!

He took great pride in his Arabian horses: breeding many champions and showing Arabian horses to US and Canadian National Top Ten status.

Special family memories include those horse shows and many family adventures on the

“farm”.

In most recent years we all enjoyed special times on the beach, sunsets and wine, and New Year’s celebrations.

Don was known for his competitive spirit, hard work, and determination. He was much loved and admired by his family and friends and will be greatly missed.
