

Joan Patricia Ffolkes

January 25, 1940 - May 30, 2022

Joan Patricia Ffolkes, 82 of Tallahassee, passed away Monday May 30, 2022, with her loving family by her side. Joan was born on the island of Jamaica to Robert and Lena Crawford. It was there that she met and married Trevor George Ffolkes in 1960. They were married for 45 years when he died in 2005. They had two daughters and the family migrated to the United States in 1982. Joan loved the legal profession and enjoyed her work as a legal secretary until her retirement in 2015. Thus, it was no surprise that her daughters became lawyers and she was very proud of them. After her retirement, it was not unusual to find Joan in her front garden pruning her rose bushes. Joan is survived by her daughters, Francine and Brigette, her sister Marlene Wright (Aunt Blos to her daughters), and many other relatives and friends too numerous to name. There will not be a memorial service at this time. However, the family encourages donations to the Journey of Support, Alzheimer's Project, Inc., at <https://alzheimersproject.org/journey-of-support/>

“ Condolences to you all Francine, Brigette & Aunt Blos on Aunt Joans passing. My memory of Aunt Joan was how beautiful she was and how caring and loving she was as a person. She loved her children, her husband Uncle Trevor (Trev) for her, her mom, sister & brothers immensely. She was a beautiful soul.

It was a pleasant experience living with them for two years while going to College in Kingston. She loved to drive out into the neighborhoods to view beautiful houses and just take us out on a spin on weekends & visiting her mother at the Bath Fountain in St. Thomas was a trip to look forward to.

Aunt Joan was always happy to be at the Family Gatherings with the lively domino games and she was as much a Ffolkes as she was a Crawford.

May her soul Rest in Peace and Francine & Brigette, Aunt Blos may you find comfort in the happy memories that you had with her. May God comfort you in this time of mourning.

Much love Charmaine
