“ Condolences to MaryAnne and the rest of Mary Jane's family. Mary Jane and I grew up together in Tallahassee and shared many good times at spend the night parties in town and gatherings at the beach. I particularly remember us tending to the pet rabbits she had in her back yard. She was a beautiful girl and had a kind and generous nature..

“ I, too, grew up in Tallahassee with Mary Jane and shared many good times together in town, at Leon High School and St. Teresa. I loved spending the night at her beautiful home and riding the elevator up to her enormous bedroom. I particularly remember her 16th birthday party and the baby blue convertible her parents gave her. Mary Jane was beautiful, full of life, energy and kind hearted. Countless times she picked me up and drove me to Leon because my Mom did not own a car. I'm sure she did other acts of kindness for others as well. I have many good memories of Mary Jane and send my deepest sympathy to Mary Anne and the rest of the family. A line from a favorite poem of mine by the British poet Campbell reads: "to live in hearts we leave behind is not to die." I know Mary Jane will live on in many hearts.
