“ Aunt Millie and all of the Dalzell's, I am so sorry to hear of Uncle Stewart's passing. I can picture him celebrating his homecoming with all of his family and friends in heaven. I'm sure they are all showing him a wonderful time.

I will always remember his grin and the things he taught me, like how to do my taxes by myself. I think of him every year in April.

I was blessed to have known him and the entire Dalzell family! He was a great friend to all of the Dacey's. Be at peace and know you are all loved.
